Tips for identifying available Grants in your region

- Search for Fire Grants in your State/County/City
- Search on your local State/County/City webpage for available Grant Programs within EMS & Fire
- There are a lot of Local General Grants that are meant for projects such as funding of a Solo Rescue or a DeconWasher Pro S
- Contact people responsible for the Grant you are applying to ask for advice
- Be prepared to describe your problem and how a Solo Rescue & DeconWasher Pro S offers a solution.
- Ask RESCUE Intellitech for advice & additional assistance on how to prepare a Grant Application.
