

Leary Firefighters Grant Checklist

The following information can also be found at:

[Leary Firefighters Foundation](#)

Background

SIZE OF SUPPORT

Grant sizes vary but typically range from \$5,000 to \$25,000; occasionally the Foundation makes larger grants. They make no recommendations about the size of the grant your department should ask for other than to say that you should ask for what you need and make your very best case as to how that grant will benefit your department and the community it serves.

Ask your vendor for quote(s) on **Solo Rescue** and **DeconWasher Pro S**.

LETTER OF INQUIRY

To be considered for funding, complete the LOI form and upload a brief Letter of Inquiry via their grants portal LFFgrants.smapply.io.

Contact RESCUE Intellitech for advice on how to construct a Letter of Inquiry for **Solo Rescue** and **DeconWasher Pro S**.

Please be prepared with the following information:

ABOUT YOUR DEPARTMENT

- Department name/town/city, state, zip code
- Paid or Volunteer Department
- Department size

Leary Firefighters Grant Checklist

- Population of your town/city/any surrounding areas your department serves

ABOUT YOUR GRANT REQUEST

- Type of grant – training, equipment, and/or technology
- Estimated value of the grant requested
- Description of how the grant will be utilized and timeline
- Reason for grant request
- Steps already taken by your department/jurisdiction to try to meet your need(s)

CONTACT INFORMATION

- Name, rank, phone number, and email address of the head of your department

If there is a struggle on how to prepare the information above, please contact RESCUE Intellitech for advice on how to prepare for the Grant Request.
